# \$50,000 Matching Campaign Challenge

Now through April 15, 2017, the Pennsylvania Railroad Technical & Historical Society (PRRT&HS) will match, dollar for dollar, up to \$50,000 raised for the preservation of five of the Railroad Museum of Pennsylvania's historic steam locomotives.

These five Pennsylvania Railroad locomotives — the M1b No. 6755, K4s No. 3750, L1s No. 520, H10s No. 7688 and B6sb No. 1670 — are slated to take their place, along with the recently restored E6s No. 460, in the Railroad Museum of Pennsylvania's to-be-built roundhouse.

This means that, with your contribution, we can put as much as \$100,000 to work toward the \$250,000 needed to preserve these historic locomotives and help get them Ready For The Roundhouse! These five locomotives are listed on the National Register of Historic Places and are part of the famed Pennsylvania Railroad Historic Collection.

Won't you consider contributing today to this special, limited time campaign, courtesy of our generous friends at the PRRT&HS?
