Welcome to East Broad Top Railroad, restoration efforts have been underway to offer a limited number of excursions, tours, and events this summer! Start the day with free time to explore the Antique Traction Show, take photos, and walk around the railroad grounds. In the morning you'll board a restored diesel-powered train for a scenic ride through the Aughwick Valley. Upon return to the station, take a break for lunch at the onsite cafe. In the afternoon, you will have the opportunity for both an East Broad Top Shop Tour and a ride aboard the Rockhill Trolley.

During the shop tour you'll see the stationary steam engine that powers the shop machinery through an overhead system of lineshafts and belts and learn how the shop crews built hopper cars and rebuilt locomotives. You'll also see work underway now on two of the

railroad's six Baldwin steam locomotives, as well as repairs to 19th-century passenger equipment. While onboard the Rockhill Trolley enjoy a nostalgic tour aboard an antique electric streetcar past historic industrial ruins and steep mountain narrows alongside the picturesque Blacklog Creek. Your day concludes with more free time to explore the East Broad Top property and the Antique Traction Show.
