The Railroad Museum of Pennsylvania is administered by the Pennsylvania Historical & Museum Commission, with the active support of the nonprofit Friends of the Railroad Museum of Pennsylvania.

Let's Make History Together!

The Railroad Museum of Pennsylvania was the first major museum specifically created to document, preserve and interpret the rich heritage of railroading. The wide ranging, compelling and important story of our nation's railroading — and railroading men and women — is told through the Museum's historic collection of 100 locomotives and railroad cars, immersive education center, exhibits, vast library and archives, equipment restoration program and special events.

Your membership in the Friends of the Railroad Museum of Pennsylvania is important to us. You can enjoy the benefits of membership in the Friends, while knowing that you have a significant role in preserving and educating the public about railroad history for many generations to come! Join us and let's make history together!
