

We at the Railroad Museum of Pennsylvania, which is administered by the Pennsylvania Historical & Museum Commission (PHMC), want to ensure that the public remains safe during the COVID-19 pandemic.

The Railroad Museum of Pennsylvania will be temporarily closed to public visitation from Sunday, March 15 through April 1, as will all state-owned historic sites and museums administered by the PHMC. In addition, no group tours, meetings, or events will take place through the end of April.

For those who have program, group or school tour reservations during this time, our staff will be in touch with you in the coming days to discuss their status. Please bear with us. Thank you in advance for your patience.

The Railroad Museum of Pennsylvania and PHMC, in consultation with the Governor's office and the Pennsylvania Department of Health, will continue to monitor this situation as it evolves. **Thank you for your support.**

Please visit phmc.pa.gov and rrmuseumpa.org for updates
