Join us for our first annual **STEAM ON THE RAILS** event at the Railroad Museum of Pennsylvania! This special school program is designed for students in Grades K through 6 to learn about the role of STEAM (Science, Technology, Engineering, Arts and Math) in the railroading industry, past and present.

Students can participate in live demonstrations, and activities including discovering how circuit boards work, constructing sections of railroad track, exploring new exhibits and walking aboard the Woodmобиль! The program takes place on Thursday, October 10, from 10:00 a.m. to 1:00 p.m. Space is limited. Pre-registration is required.

**Partners:**

- Pennsylvania Department of Agriculture Woodmobile
- Girl Scouts in the Heart of Pennsylvania STEAM Mobile

STEAM ON THE RAILS
REGISTRATION

Date: Thursday, October 10, 2019, from 10:00 a.m. to 1:00 p.m. (brown bag lunches)
For Students In: Grade Levels K through 6
Maximum Number Of Students: 400

Your students will experience Pennsylvania’s great railroading heritage through interactive and STEAM-related programming, tours and demonstrations. Activities will take place at various station stops throughout the Museum, where students will learn about different jobs and the roles that science, technology, engineering, arts and math played in the railroad industry historically, and in the present day. The Railroad Museum of Pennsylvania houses a world-class collection of 100 historic American locomotives and railroad cars and an immersive education center.
